

## COMPLETE AUDIO SERIES NOW AVAILABLE!

During the years 2002-2006, Michael Gowens and the congregation of Lexington Primitive Baptist Church engaged in a verse-by-verse study through the Book of Revelation. The goal throughout this study was to extract "big picture" concepts that may be applied to the contemporary believer. Now, we are pleased to make these 52 full-length studies available to others.

### 1. Overview of Revelation
